Next year it will be 572,234.00

Increase	\$34,446.00
----------	-------------

State will be less by \$172.23.

The \$5 tax gives a small margin on which to run schools.

The district should raise \$3,000 for state aid items.

REPORT OF SUPERINTENDENT

To the School Board and Citizens of New Durham :

I herewith present my ninth annual report as superintendent of the New Durham public schools.

The school buildings are in good condition, well equipped and modern, with facilities for doing first-class work in all the rooms.

Three schools instead of four are maintained this year. The pupils from the south part of the town are transported to the Ridge school.

All of the teachers are doing excellent work as the people of New Durham already know. Miss Irene Livingston takes Miss Wilson's place in the lower grade room. All of the teachers at present are Normal graduates.

The Parent-Teacher association has been helpful in many ways to the Plains schools.

School entertainments have held the interest of the parents and citizens and received the accustomed patronage.

Health supervision by Miss Gray and hot lunches served by the teachers have been commendable.

In fact, what may be said about the New Durham schools is on the right side.

Here are the statistics for the school year ending June 30, 1926. Number of pupils registered was 79: 45 boys, 34 girls. Average attendance was 60; per cent of attendance, 92. Number of visits made by the School Board was 6; by the superintendent, 46; by parents and citizens, 120.

May I register again my keen appreciation of the full cooperation of all of the people of New Durham in the work of the public schools.

Respectfully submitted,

F. U. LANDMAN,

New Durham, N. H., Jan. 28, 1927. *Superintendent*
